

**PROCEEDINGS OF ETOP2013  
TRANSFER OF COPYRIGHT TO THE PERMANENT SPONSORS OF ETOP (SPIE, OSA, ICO, IEEE)**

Title of Paper: \_\_\_\_\_ ETOP PAPER Nº. \_\_\_\_\_

Author(s): \_\_\_\_\_

*This signed statement must be returned to SPOF prior to the scheduled publication of the Proceedings in which the Paper will be published. The intent of this Agreement is to protect the interests of both the ETOP Organizers and Permanent Sponsors and authors/employers and to specify reasonable rights for both parties related to publication and reuse of the material.*

**The undersigned hereby assign(s) to the Permanent Sponsors of ETOP 2013 copyright ownership in the above-titled Paper, effective if and when the Paper is accepted for publication by the Permanent Sponsors and to the extent transferable under applicable international law. This assignment gives the Permanent Sponsors the right to register copyright to the Paper in its name as claimant and to publish the Paper in any form or medium now known or hereafter known throughout the world including, but not limited to, all formats of print, electronic, magnetic digital, laser or optical-based media.**

Authors, or their employers in the case of works made for hire, retain the following rights:

- (1) All proprietary rights other than copyright, including patent rights.
- (2) The right to make and distribute copies of the Paper for internal purposes.
- (3) The right to post a preprint or reprint of the Paper on an internal or external server controlled exclusively by the author/employer, provided that (a) such posting is noncommercial in nature and the Paper is made available to users without a fee or charge; and (b) the following statement appears on the first page, or screen, of the Paper as posted on the server:

Copyright 2013 ETOP Permanent Sponsors

This paper was (will be) published in the proceedings of ETOP 2013 and will be made available as an electronic reprint (preprint) with permission of the ETOP permanent sponsors. Print or electronic copy may be made for personal use only. Duplication of any material in this paper for a fee or for commercial purposes, or modification of the content of the paper is prohibited.

- (4) The right to use the material for lecture or classroom purposes.
- (5) The right to prepare derivative publications based on the Paper, including books or book chapters, journal papers, and magazine articles, provided that publication of a derivative work occurs subsequent to the official date of publication of the ETOP publication in which the Paper appears.
- (6) If the work that forms the basis of this Paper was done under a contract with a governmental agency or other entity that retains certain rights, this Transfer of Copyright is subject to any rights that such governmental agency or other entity may have acquired.

By signing this Agreement, the authors warrant that

- (1) The Paper is original and has not previously been published elsewhere;
- (2) This work does not infringe on any copyright or other rights in any other work;
- (3) All necessary reproduction permissions or licenses have been obtained; and
- (4) The authors own the copyright in the Paper, are authorized to transfer it, and have full power to enter into this Agreement with the Permanent Sponsors of ETOP.

**WHO SHOULD SIGN?** This form must be signed by (1) at least one author who is not a U.S. Government employee and (2) the author's employer if the Paper was prepared within the scope of the author's employment or was commissioned by the employer. If not signed by all authors, the author(s) signing this Agreement represent that they are signing this Agreement as authorized agents for and on behalf of all the authors.
